That's ok – I completely understand! Happens to all of us at one time or another!

Yes, we will gather in a conf room and call in to the conf line in a few minutes.

Hi Terry,

It seems we had a mishap in confirming this time and giving the call-in information.

If you still have availability to start a call in the next several minutes, I can open a conference line.

Thank you, sorry about the mishap!

Hi Terry and John,

We have just been informed that there is a call scheduled for Thursday morning at 11:30 with TCEQ (David Brymer and others), which you may already be aware of. Would it be possible for you and/or John to have a call with us about CSAPR ahead of that Thursday call? I can't speak for Brian, but I can make myself available anytime between now and then.

Sorry about the change in schedule. I hope you are feeling better.

Thanks,

Carrie,

Sorry to have to do this, but I am not feeling well today, so we'll need to reschedule. I will get with you later this week – how is your Friday looking?

Terry
